## Information Security Analyst

Salvador, Bahia, Brazil | [linkedin.com/in/joaonasmont](https://www.linkedin.com/in/joaonasmont) | [joaonasmont@gmail.com](mailto:joaonasmont@gmail.com)

Dynamic and results-driven Computer Engineering student seeking job opportunities in GRC of cybersecurity. Eager and fast learner, I seek opportunities where growth and development are a central focus. My passion for solving complex problems while working in a field with ample direct positive impact on society strongly motivates me to go above and beyond for excellence.
